

PLEASE BE A FRIEND TO AAA-NORCAP

Friends are very important to us.

We are one of very few organisations in the UK that offers an intermediary service to birth relatives of adopted adults. We do not receive central funding for this work, we are not-for-profit, and we depend on payments and donations for the work we do.

Many people who have benefited from our work wish to contribute to the charity to ensure the work continues for other people who need it. If you become a Friend of NORCAP you will be helping us to survive.

If you have not yet had a service from us, and only want to access our **Norcap Adoption Network (NAN)** so that you have some telephone support, then you can become a Friend for this purpose too.

To support our much-needed work and become a Friend of AAA-NORCAP please complete and return the form overleaf.

- Friends of AAA-NORCAP can be anyone, living anywhere, who support the aims and goals of the charity and wish to contribute to its continuing success
- Friends of AAA-NORCAP can contribute as little or as much as they choose

Your help and your donations are vital to maintain the work of AAA-NORCAP. We will ensure that we use the money wisely to provide excellent services to our service users and to run events that you will have a say about. You will be helping us in:

- Running the largest adoption contact register in the UK. New links are made every week
- Recruiting, training and supporting over 70 AAA-NORCAP intermediary volunteers who help hundreds of people each year prepare for reunion, make initial contact and receive support throughout the process
- Developing the extensive network of our **NAN** Peer Supporters. These volunteers offer telephone support and run local groups for adults affected by adoption.
- Campaigning to ensure the needs and wishes of adopted adults and their relatives are taken into account by politicians and policy makers.
- Maintaining our service users helpline

As a Friend you can support us by:

- Making a regular monthly, quarterly or annual donation,
- Gift aiding your donation, if you are a UK taxpayer, to increase the value of your gift without costing you any more

“Friend” best describes the spirit in which all these gifts and offers of help are made.

Please will you be a Friend to AAA-NORCAP?
